I would personally like to thank you for visiting us here at Latah Creek Winery. I hope your experience was a pleasant one.

I noticed on your request to be included in our mailing list that you indicated a desire to receive information about our Quarterly Wine Club. I am sending you a form which gives the details of the club. In essence, our Quarterly Wine Club consists of four shipments per year featuring typically three bottles of Latah Creek wines. You may also choose to be a member of the club for only one year or have a membership that continues until you tell us to cancel. Just tell us and we will keep track of everything. Your charge card is not billed until the wines are actually sent. Currently about one-fifth of our membership are recipients of Wine Club gifts. This is a great way to give a gift that truly lasts all year long. You can either fill out the included form and mail it to us, fax it to us, or call us with the appropriate information.

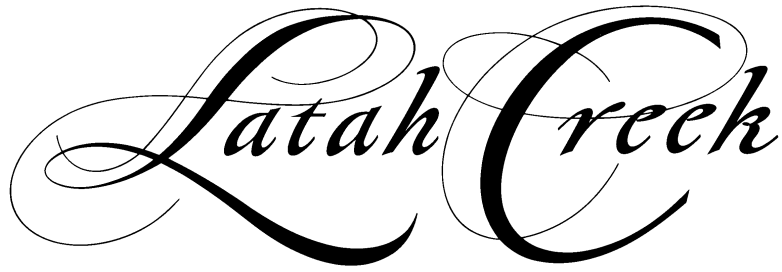

Along with each Quarterly Wine Club shipment, I include winemaking notes about the wines sent. These notes usually include information about the vintage, sometimes a history of the grape used and almost always my thoughts on the wines you received. Also with each shipment, my wife Ellena includes a wonderful recipe designed to compliment the wine. Ellena's recipes are known for their easy preparation and I can attest to the fact that they are GREAT!

If you have any questions or thoughts, please don't hesitate to call.

Sincerely,

Mike Conway
